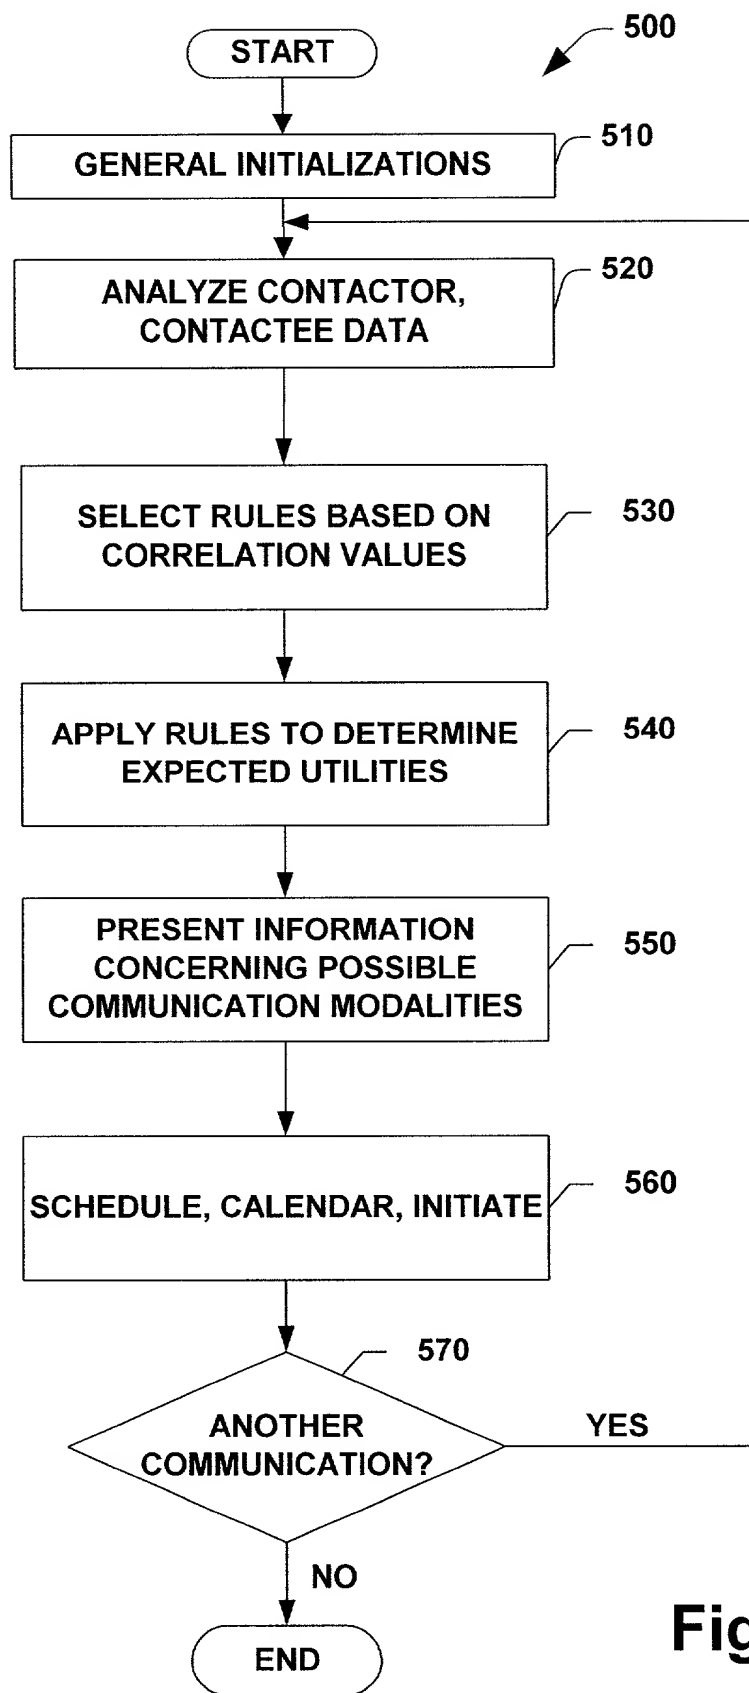

**FIG. 3**

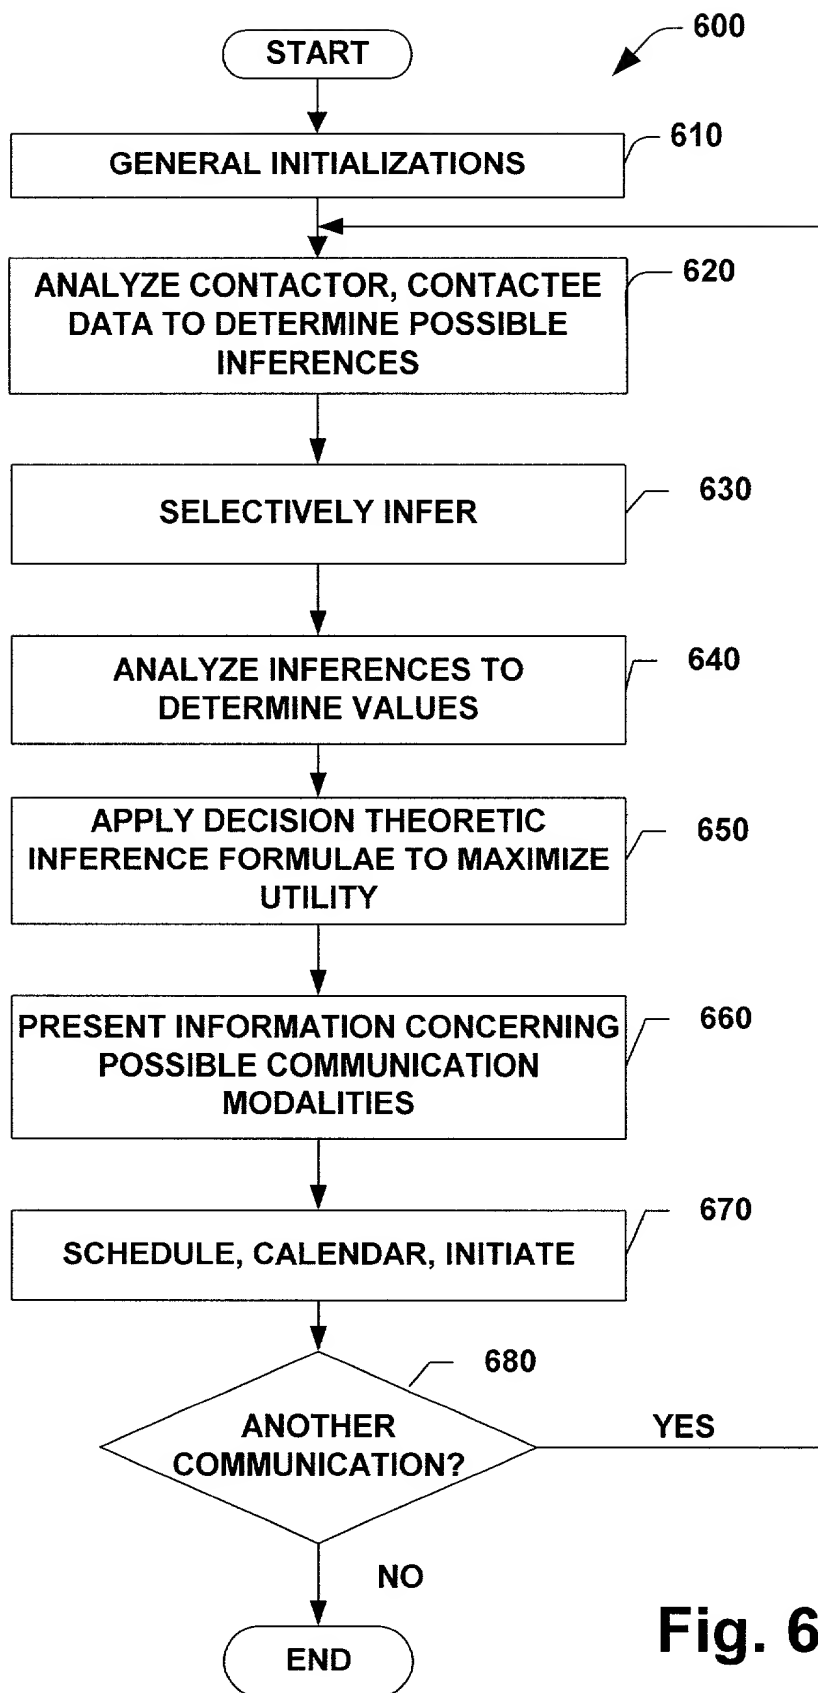

FIG. 4 is a schematic diagram of a network system 400. The network system 400 includes a central network 405, a first set of devices 410, a second set of devices 415, a third set of devices 420, a fourth set of devices 425, a fifth set of devices 430, a sixth set of devices 440, a seventh set of devices 445, an eighth set of devices 450, a ninth set of devices 455, a tenth set of devices 460, an eleventh set of devices 465, a twelfth set of devices 470, a thirteenth set of devices 475, and a fourteenth set of devices 480. The network system 400 is configured to provide a network environment for the devices 405, 410, 415, 420, 425, 430, 440, 445, 450, 455, 460, 465, 470, 475, and 480.
